

Sally's Sweet Shoppe ~ Cheesecake Menu

All of our cheesecakes are made from scratch, for your order, from Sally's very own recipe! They are heavy, dense, and not too sweet AND the flavors are just about endless! Cheesecakes come in 8" or 9" sizes. We require a minimum of 4 business days notice and some flavors may require more time. On some of our cheesecakes, we can add your choice of writing/greeting. When we can, it is an additional \$5.
